

2757.12

budded and grafted  
branches of peach  
trees.

Wed morning - I was  
too sleepy last night  
to finish this letter.

Another hot day  
has come. This week  
has been very close  
and hot here. They  
say it is usually cool  
and comfortable.

There are five  
hundred and twenty  
eight students here now  
and they expect it will  
be 55° before to night.  
At our boarding place  
five room and fourteen
